

Listening to the Teacher

It is good to listen to the teacher.

The teacher helps us learn.

When I have a question, I raise my hand and wait for the teacher to call on me.

I can sit on the floor and listen. I can sit at my desk and listen.

I can listen when the teacher is talking. I will try to listen to what the teacher is saying.

I can follow the teacher's direction. I can go to the floor and work. I can go to my desk and work.

I can listen to the teacher.
