

Staying In The Classroom

I like to be at school. I can have fun and learn a lot at school.

I can stay in the classroom when we are working. Mrs. Te Rata likes it when I work hard and do my best.

It is unsafe for me to leave the classroom without my friends or a teacher.

If I need to use the toilet or get a drink of water, I can ask Mrs. Te Rata. She may say yes. Then I may leave the class. I  can return quickly.

Mrs. Te Rata may not allow me to go get a drink or go to the toilet. I can stay in the classroom.

I can leave the classroom when the class goes to recess and lunch.

 When the bell rings after recess and lunch, I can line up with my class. I can return to the classroom. I can stay in the classroom.

When I have Mrs. Leal or a casual teacher, I can stay in the class with the teacher. I do not leave the classroom.

I like to be at school and I can do my best. Mrs. Te Rata is happy when I stay in the classroom and work hard.
